

PRESS RELEASE - Royal Queensland Art Society Gallery Gold Coast

Korean Exhibition and Opening

Date: 1st -27th March 2026

Time: 12:00pm

Royal Queensland Art Society Gold Coast is proud to announce an unmissable Korean art celebration this March, with everyone warmly invited to attend.

On Sunday 1 March, the South Korean Contemporary Art Society will transform the RQAS Gold Coast gallery into a vibrant showcase of contemporary Korean creativity, with around 60 original works on display for one special day only. Visitors can immerse themselves in bold, expressive artworks and experience the energy of Korea's thriving modern art scene right here on the Gold Coast.

Adding to the festival atmosphere, the program will feature live cultural performances, including a traditional Korean fan dance and a violin recital, creating an afternoon that blends visual art, music, and movement. Division Councillor Darren Taylor will join the celebrations to officially welcome the visiting Korean artists and present the winners of the March exhibition awards.

The event coincides with the gallery's March exhibition changeover and will include complimentary drinks and nibbles, encouraging guests, members, and the wider community to mingle with artists and fellow art lovers. Coverage is planned in Australian Korean Life Magazine and on Art Korea Broadcasting in Korea, highlighting this unique cultural exchange between South Korea and the Gold Coast.

This special Korean art event takes place at Royal Queensland Art Society Gallery Gold Coast in March, with doors open from 12:00 pm on Sunday 1 March. Media, community groups, and the public are all welcome to attend and be part of a colourful, cross-cultural art experience.
