All paintings/canvases must be in good condition, clean and tidy, with the correct wire/cord with D-rings. If not, they may not be hung out of respect for the other artists.

The flag hole is now next to the **wooden post** out the front. Place the blue flag here (not by the rock). Thank you!

**ART IN THE PARK - Sunday 24th. This is the only Sunday the council could give us. Numbers are limited so let me know if you wish a spot.**

Note: It is the artist's responsibility to ensure their work is paid for. Do not hand over until you have a receipt.

The upstairs Peter Abraham studio, currently has the student Exhibition of **Lee Bradford and her classes** during the year. Well worth a look to see how they have all progressed.
