RQAS - Broadbeach Art Gallery, has the QR sign in code in the foyer, gallery door, upstairs studio doors. **Please use it** when attending the gallery or classes.

For those who were concerned, all the roof gutters have been cleaned.

A special thanks to the volunteers who regularly come forward asking "what can we do to help....." from filing, sweeping, folding, typing etc. You know who you are....Thank you!

**Art In The Park** has been registered with the COGC for **Sunday 20th June**. Unless I hear otherwise, bring your easels and paints and extra paintings to sell. ALL sales must to through the Gallery. NB: Do not hand over a sold painting until the customer comes back with a receipt....! As it can get busy, some may quietly not pay but still collect (sad though it is to say).

New members -(and a few seasoned ones) please do not submit old paintings eg over 5 yrs old, that are scratched, dirty and look as though they have been dragged out from storage. Yes, of course you can do up an old painting, freshen it up and re-do the sides or re-frame. If you are unsure about hanging wire and where to place at the back, read the attached instructions. It may help. (PS if the hanging wire is attached too far down the painting, it will tilt forward and not show it off at its best.
