They say there is a time for everything and everything has its time. For me it is my time to embark on a new adventure, moving to live on Russell Island in Moreton Bay near Brisbane. There I will be in a different environment and will be able to spend more time focusing on my art and creativity.

Unfortunately it means that I will not be nominating for President at the next AGM for RQAS and the Broadbeach Art Gallery. My role as President these past two years has been stimulating, challenging (Covid) but a lot of fun. As I depart, I thank you all for allowing me this opportunity.

It has been a privilege to get to know so many of the wonderful artists at our Gallery. I thank all who have participated and volunteered, without your enthusiasm and dedication the Gallery would not be thriving like it is today.

I will be leaving the gallery with lots of member activities and in good financial stead. There are exciting plans currently being considered by the City of Gold Coast Council for RQAS to gain approval to create a coffee shop premises within the Gallery - this will bring us into line with most modern galleries if approved. Fingers crossed.

The Gallery of course will now be looking for a new President. I urge anyone who is interested in taking the Gallery into its next exciting era to nominate for the role as President.

I have spoken to Alison Fielding-Price, who has been active on our RQAS Committee for the last year, and understand that she is willing to nominate and be considered by the members for the role. It is also an opportunity for anyone else who may be interested in taking on that responsibility when nominations are called for shortly.

I am happy to assist in anyway I can to help acclimatise the new President into the role.

Now let us go on and make the BIG ART 2021 the best ever!

Your President  
Lynne

**ART IN THE PARK is this Sunday, 19th September 2021.**

Bring along an easel so visitors can see you painting, or just a table. A gazebo helps as it can get quite hot under the sun. Bring any spare paintings you may want to sell at the same time, being mindful that ALL sales must go through the Gallery.

When your customer has paid and come back with a receipt, only then do you hand over your art!

We look forward to a good number of you taking part, making it a fun day.

If anyone feels like strumming a guitar or making music - you are most welcome.
