**Learn to create a functional pottery piece, and pinch pot using two age-old, reliable methods with a choice of clay options. Create a mug, planter, jug, vase, tea candle holder, bowl, utensil holder and dip bowl, trinket dish, tea light holder, succulent holder etc using the pinch pot method. There are so many functional wares that can be made using these 2 methods that you'll be well on your way with the tools to start creating at home if desired, with some useful advice given by Wendy for future clay playing at home...**
