

Watercolour Florals - creative techniques

2 day workshop with Annette Raff
Saturday 22 & Sunday 23 April 2023

About the Workshop

Watercolour can be most captivating when we allow it some freedom. You will be inspired to utilise the medium's unique unpredictability, encouraging pigments and water to flow in unexpected ways, creating excitement and vibrancy.

This workshop will cater to all levels of painters, encouraging you to see new possibilities and interpret floral subjects using vibrant colour, and dynamic compositions. There is an option for you to bring along some additional materials that you may like to use, such as watercolour pencils, water soluble graphite sticks/pencils, and inks for some added excitement!

- Comprehensive demonstrations
- Time to practice and experiment
- Colour mixing, brush control, washes
- Additional medium application

Time: 9:30 - 4 pm

Venue: Royal Queensland Art Society
25 Broadbeach Bld, Broadbeach, GC

Cost: \$245 (paper supplied)
